appears well. Charles Leavett contributes some specimens

of Ohio sandstones. A lot of dentifrice from H. Parsons and a fine ase of artificial teeth from M. L. Wright, were

pon the tables.

John Kelley had on exhibition quite a collection of melons, which were tempting indeed. From Fioral Hall we passed to that devoted pany: to Fine Arts, where the lover of the beautiful can rest contented for hours, gazing on the ma lany (so called)-and one McGlaughslin.the left of the entrance are a number of those masterpieces of Penmanship which have graced the walls of Folsom's and Breast F the walls of Folsom's, and Bryant, Folsom & after them. Stratton's Colleges in this city. The "divine art" has here full sway and such results are indeed wonderful. Hollister, Felton & Townsend

present a set of manuscript Books and three beautiful pieces of Ornamental Penmanship. Among the curiosities here, are two frames of sea mosses collected and arranged by O. E. Dodge in a very next manner. Miss C. L. Ransom, of Sandusky, has a large collection of paintings, consisting of portraits and landscapes which are a great feature of the Hall. Expressions of delight and admiration we heard from those passing by, in which we could join most heartily. Her pieces are wonderfully true to nature and her portraits have a life-like fresh ness which we seldom see. Miss Hopley of this city has a collection of pencil and crayon drawiogs which place her in a high rank as an artist

in those branches. The Cosmopolitan Art Association fill a large part of Fine Arts Hall with a collection of their paintings, which are to be distributed among their subscribers. Among them are some peculiarly rich and pleasing. While looking at a representation of Bachus and Venus, a young man behind us remarked to his lady, "That's rather a sandy looking couple." A listle farther on was a painting of which we were asked the name. We read to the questioner from the label "Narcissus, clipping her locks." "Oh yes," said she, "a pair of scissors; well how natural they are." We thought she was natural.

S. Pearson, of Cleveland, has on exhibition two fine guitars and one piano; and Messrs. Child & Bishop have three of their celebrated nelodeone

J. Henry Moeller has a very fine collection of plai nand ornamental mouldings, and various single stick, is quite a curiosity. J. C. Baker also showed some fine carving, &c.

Three completely rigged model ships are on -without re-winding; saving time, trouble and exhibition in Fine Arts and Floral Hall. One is by Muster W. G. Cooke, Sandusky; the oth-

A finely finished piano was exhibited by Dr Segrove, of Springfield, which had a collection of ladies around it at all times to admire its case and try its tone.

A sad accident occurred in the afternoon at the trotting course. One of the horses, Godol-4th. The stitch is always distinct, even and reg- phin of Cleveland, becoming frightened, ran within the inclosure at a fearful rate. Suddenly he dashed with great speed through the fence into the midst of the crowd that had gathered a to witness the trotting. Mr. Mallory, an old so much so that as we learned before leaving The services of a lady and the use of a machine the grounds, it had died from its injuries. The

change of their hour. CHARLES LARIDEW.

Proof. O. J. Woods—With confidence did recommend you fluir Restorative, as being the most efficacious article I even. Since assing your Hair Restorative, or hair and while series, which were almost white, have gradually grown dark lower their canding that it was more applications will restore them to their natural eader. It has also relieved in a full sharifulf and unpleasant riching, as commons amon pressure who pressure freely.

Prov. Woods—Abenti we yourse are, my hair communicativities to us effect. I communical using your Restorative properties to us effect. I communical using your Restorative in Jeanny levit 2 few pupilsations fractioned my Martfren's a began to fill un, more out, and tutual bank to its force color—theek. Atthis time, it is alley restorated to the organization of the color of the out.

J. D. HOES.

ARE STILL OFFERING the most to u'll.

The RENTORATIVE is put up in buttles of three sizes; here, meeting and small. The supsil being had a risk, and trathic for 5 per bottoe. The meeting holds at least twenty ser conf. move in proportion; than the small, and rotatis for 52 per bottoe. The large holds a quant, invey per cent. move in proporti in, and retails for 52.
